Projects

Quarintini | Fullstack Developer | Github link: https://github.com/JDavidson45/drinks
Fully functional e-commerce website built in a team of 3 selling drinks.
● Developed front-end components to display store's inventory, users, orders, admins as well as creating ways to upgrade users status, create and delete orders, products and users. All of this was done using JavaScript, React, & Redux
● Implemented back-end routes to maintain current inventory, orders, users and database using Redux, Express, & Sequelize

Jchat | Fullstack Developer | Github link: https://github.com/JDavidson45/Chat-App
Chat website to talk with friends or organizations.
● Developed front-end components to display websites' friends, channels, messages as well as creating ways to talk to people real time. All of this was done using JavaScript, React, & Redux, Socket.io
● Implemented back-end routes to maintain current messages, channels, users and database using Redux, Express, & Sequelize

EarBuds | Fullstack Developer | link: https://earbuds.web.app/
Fully functional website that allows you to listen to Spotify Podcast with your friend.
● Developed front-end components to display websites' friends, rooms, messages as well as creating ways to talk and listen to podcast with people in real time. All of this was done using JavaScript, React, & Redux
● Implemented back-end to keep track of messages, rooms, users using Firebase with a NoSql database
● Integrated the Spotify API to retrieve data

Experience

Chicago Park District - Eckhart Park / Humboldt Park   6/17/ 2015 – 8/14/ 2015 & 6/22/2016 – 8/19/2016
Camp Counselor: Provided a safe and productive environment for a group of about 25 children; organized multiple games and educational activities; kept track of the daily schedule of activities, lunch and snack time.

Chicago Park District – Lincoln Park Cultural Center | Margate Fieldhouse | Wicker Park Fieldhouse   6/10/ 2014 – 5/21/2015
Volunteer Jr. Counselor: Followed the daily activity schedule and coordinated with onsite staff to set up and break down daily activities and events: team & individual sports, circle and L.O. games, arts and crafts, board & table games and special events. Assisted with group supervision on field trips to the museum, zoo and assisted with distribution of the Chicago Park District's lunch program.
